

## First Annual Martinez Education Foundation Celebration

March 14th, 2020, 10:00am, Alhambra High School's Performing Arts Building

The Martinez Education Foundation is a non-profit, community-based partnership of energetic volunteers committed to providing resources to enhance educational opportunities for our children.

Since 1984, MEF has provided over \$2,800,000 in grant awards to Martinez Unified School District Schools. Through our annual Grant Program we fund equipment, technology and materials for our students' academic success, helping to subsidize the gap in state funding necessary to guarantee our students quality programs and services.

The *First Annual Martinez Education Foundation Celebration* will be held on March 14, 2020 at 10:00am at the Performing Arts Building at Alhambra High School. Please join us as we celebrate the success of MEF and honor our 2019-20 grant recipients.

As a part of the celebration, we are inviting Martinez families and businesses to honor our educators by placing an ad in our **2020 MEF Souvenir Program**. We encourage you to be a part of this event and ask that you consider making an investment in Martinez Unified Schools. The program will be available at the celebration and will also be added to the MEF website. **MEF is an IRS 501(c) 3 organization. Federal Tax ID Number: 68-0031693.**
